The Honorable John A. McCone  
Director  
Central Intelligence Agency  
Washington 25, D. C.

*John A. McCone*  
Dear Mr. McCone:

I want to express my deep appreciation for the helpfulness of the personnel of your Agency in providing essential biographic data for my trips abroad. Although we rarely have been able to give much advance notice of our requirements, your staff has consistently produced the needed information and in the finest spirit of cooperation. I would like for them to know that their efforts are much appreciated.

Sincerely yours,

*Fowler*
